

~ DIRECTION & PARKING ~

Thanks to the generous support of Meredith Village Savings Bank, we are located within their Plymouth Main Street branch on the second floor. An elevator is easily available for accessibility.

Heading South on I-93 (from Littleton)

Follow I-93 South to Exit 25 (Plymouth). At bottom of ramp, take a right. Continue over the Pemigewasset River Bridge. Immediately after the bridge and before the roundabout, take a left onto Green Street. Within 100 feet on the right there is a metered lot in which to park. After parking, cross the railroad tracks and go up the covered steps to Meredith Village Savings Bank. Enter the rear door and go to the 2nd floor (stairs or elevator). The GCEDC offices are on the left hand side in the hallway. Use the doorbell to summon staff.

The GCEDC offices are located on the second floor of 131 Main Street, Plymouth, NH; immediately above Meredith Village Savings Bank.

Heading North on I-93 (from Concord)

Follow I-93 North to Exit 25 (Plymouth). At bottom of ramp, take a right. Continue over Pemigewasset River Bridge. Immediately after the bridge and before the roundabout, take a left onto Green Street. Within 100 feet there is a metered lot in which to park. After parking, cross the railroad tracks and go up the covered steps to Meredith Village Savings Bank. Enter the rear door and go to the 2nd floor (stairs or elevator). The GCEDC offices are on the left hand side in the hallway. Use the doorbell to summon staff.

Heading East on Rt. 25 (from Haverhill)

Travel the same route that you would take to come to Plymouth (Rts 25, 25a, or 25c). When you come to the large traffic circle, continue on Tenney Mountain Highway (Rts. 25 and 3A) for almost two miles toward Plymouth. You will pass Sears on your left and WalMart on your right. There will be a set of stop lights at the intersection of Tenney Mt. Highway and Highland Street (Burger King is located at this junction). Take a right onto Highland Street and continue for two miles into downtown Plymouth. As you approach downtown, you will pass Plymouth State University. At the end of Highland Street, take a left onto Main Street and continue to the small roundabout. Within the roundabout, take your first exit as if going toward I-93 but do not cross the Pemigewasset River Bridge. Immediately before the bridge, take a right onto Green Street. Within 100 feet there is a metered lot on the right in which to park. After parking, cross the railroad tracks and go up the covered steps to Meredith Village Savings Bank. Enter the rear door and go to the 2nd floor (stairs or elevator). The GCEDC offices are on the left hand side in the hallway. Use the doorbell to summon staff.

Heading East (from Lebanon)

Take Rt. 4 (via Exit 17 on I-89) and continue to Canaan. In Canaan, take Rt. 118 for 15 miles to Dorchester/Rumney. At the end of Rt. 118, take a right onto Rt. 25. When you come to the large traffic circle (7 miles), continue on Tenney Mountain Highway (Rts. 25 and 3A) for almost two miles toward Plymouth. You will pass Sears on your left and WalMart on your right. There will be a set of stop lights at the intersection of Tenney Mt. Highway and Highland Street (Burger King is located at this junction). Take a right onto Highland Street and continue for two miles into downtown Plymouth. As you approach downtown, you will pass Plymouth State University. At the end of Highland Street, take a left onto Main Street and continue to the small roundabout. Within the roundabout, take your first exit as if going toward I-93 but do not cross the Pemigewasset River Bridge. Immediately before the bridge, take a right onto Green Street. Within 100 feet there is a metered lot on the right in which to park. After parking, cross the railroad tracks and go up the covered steps to Meredith Village Savings Bank. Enter the rear door and go to the 2nd floor (stairs or elevator). The GCEDC offices are on the left hand side in the hallway. Use the doorbell to summon staff.
